Shaun,
Thank you. Is there someone else that you could recommend to report out on Pavillion in your absence?

Subject: Update on the Biweekly RA HF Calls and Call for Your Agenda Topics by 2 pm (EDT) Thursday, June 20th

Hello,

Tomorrow's Biweekly call will be cancelled. You will see a new invitation for the next Biweekly RA HF Call (next Wednesday, June 26). The Calls will be held biweekly starting on June 26th. Also, by 2 pm (EDT) this Thursday, please send me the topics that your Office or Region will be covering during June 26th call. Glenn and I will be pre-briefing the Gwen, COS, on your proposed agenda items. I may need to double-back with some of you after the pre-brief. Thus the need for your topics by Thursday. Thank you in advance.

We are all still struggling with multiple invitations for the same meetings on our calendars since meeting updates are not necessarily being reflected on everyone's calendars. It may be helpful to take a moment and delete any other Biweekly HF call meetings on your calendar at this point as we set up a new invitation.

Let me know of any questions. Thank you.

Mary
